ADDENDUM

BID # 26005331

TO ALL BIDDERS ON THE SUBJECT BID:

ADDENDUM # 1

DATE: July 21, 2026

Q1: Is the equipment in one location?

A1: Yes, all the equipment being sold is all located in one general area.

Q2: Is any of the equipment boxed or palletized?

A2: Most of the equipment is in boxes on pallets. Some of the equipment (IE consolettes, bank chargers etc) is on pallets but not in boxes.

Q3: Do you have a dock available that can accommodate a 53' truck?

A3: No. There is no loading dock. The equipment is on pallets at ground level.

Furthermore, there is NO *forklift* or *pallet-jack* nor any type of loading equipment available for use. The buyer is responsible for supplying any type of loading equipment – including manpower (no assistance will be available to help load).

A 53' truck should be able to back-in to the area where the equipment is located for pickup, however this will likely depend on the skill of the driver. As far as the available clearance opening, it *should* accommodate a full-sized shipping container or something similar to a typical box truck attached to a tractor trailer. The opening where equipment will be picked up is a very large roll-up door.

Please note, the physical building where the equipment is located is NOT climate controlled – please factor this information into your plan for picking up the equipment.

I would highly encourage the winning bidder to bring their own forklift and manpower when picking up the equipment. I would also advise them to bring their own bottled water and be mindful of the West-Texas summer weather; at last glance, the high temperatures for the remainder of this month show to be triple digits.

Q4: Do you have a dock available that can accommodate a 53' truck?

A4: Yes, some of the equipment is engraved or etched however a majority of the equipment is marked with a paint-pen (or similar) and some of the items were marked with asset tags printed with a label maker.

PLEASE RETURN THIS ADDENDUM WITH YOUR BID BY THE CLOSING DATE.
All other terms and conditions shall remain the same.
