2.0 SCOPE OF SERVICES

2.1 Background

In order to eliminate and prevent the spread of blighted conditions and stimulate and support the redevelopment of the Naranja Lakes area, the Naranja Lakes Community Redevelopment Agency (CRA or Agency) was created and its Board of Commissioners (Board) appointed by the Miami-Dade County Board of County Commissioners (Board), pursuant to Chapter 163, Part III, Florida Statutes. On July 21, 1998, the Board adopted Resolution No. R-847-98, declaring a geographical redevelopment area in south Miami-Dade County as slum and blight.

The Agency was created by the Board pursuant to Ordinance No. 02-216 adopted on October 22, 2002. The ordinance also appointed the Agency's board of commissioners and delegated the power to the Agency to prepare a Redevelopment Plan (plan). On May 6, 2003, the Board adopted Resolution No. R-418-03, approving the plan, and funded the plan by adopting Ordinance No. 03-106, which created the trust fund for the Agency and the redevelopment area. Resolution No. R-855-03, adopted by the Board on July 22, 2003, approved the interlocal cooperation agreement granting the Agency certain redevelopment powers. On March 8, 2016, the Board adopted Resolution No. R-187-16 accepting the Finding of Necessity declaring an area of 3,060 acres as slum and blight. On January 23, 2018, the Board also adopted Resolution No. R-13-18, amending the Plan, which expanded the Area, defined general redevelopment strategies

for the new and existing Area, and approved the First Amendment to the Interlocal. On April 9, 2019, the Board adopted Resolution No. R-350-19 correcting the boundary description of the expanded redevelopment area described in Resolutions No. R-187-16, R-13-18, and the first amendment to the interlocal. On September 3, 2025, the Board adopted Resolution No. R-823-25 accepting a Finding of Necessity declaring an additional area of 628 acres as slum and blight. Furthermore, on March 3, 2026, the Board adopted Resolution No. R-145-26 designating the Board as the board of commissioners of the CRA transferring all rights, powers, duties, and liabilities previously vested in the Naranja Lakes CRA to the Board.

The CRA is administered in accordance with the governing actions of the Board and applicable provisions of Chapter 163, Part III, Florida Statutes. The selected Proposer shall provide recommendations, professional advice, administrative support, project coordination, and implementation assistance but shall not independently exercise any power reserved by law to the CRA or the Board.

The Redevelopment Plan adopted in 2018 established goals for the Agency to accomplish including:

1. Create a thriving CRA through public-private partnerships to encourage a quality retail, restaurant, cultural, and business environment serving Naranja area residents and visitors.
2. Create viable Commercial Corridors within the CRA by encouraging and facilitating sound real estate acquisition, assemblage, development and Public Private Partnerships.
3. Work with Miami-Dade County to support and recruit “target” commercial, cultural and light industrial uses/industries within the CRA.
4. Incorporate the Cultural Arts as a critical component of Economic Development by connecting cultural assets to event strategies.
5. Reposition the Naranja area through Branding & Marketing initiatives to recruit new targeted uses/industries, retain existing businesses, improve the quality of life, attract additional customers and reduce slum and blight within the CRA.
6. Coordinate CRA, County, State & federally funded Public Improvements within Naranja’s commercial areas. During the process, push for best practice systems, resources, and providers.
7. Support Neighborhood Improvement initiatives to reduce slum and blight conditions in residential neighborhoods, including crime prevention efforts.
8. Work with the private sector to create and maintain a “Healthy Mix” of Affordable, Workforce, Market Rate, Luxury, and Mixed-Income Housing.
9. Work with the Miami-Dade County to encourage development and renovation of Affordable, Workforce, and Mixed-Income Housing.
10. Encourage safe, convenient, efficient and effective motorized and alternative-means transportation and transit systems throughout Naranja.
11. Create efficient and attractive parking to support retail, restaurant, cultural, office and industrial facilities within the redevelopment area.
12. Encourage and support sound and redevelopment-friendly Land Development Regulations within the CRA.
13. Use Powers of Borrowing, Land Acquisition & Disposition to further CRA Redevelopment Goals & Initiatives.
14. Provide Economic Incentives and other support to projects that further CRA Redevelopment Goals & Initiatives.

The Naranja Lakes CRA (refer to Attachment 1, Naranja Lakes CRA Redevelopment Map) is in the southeastern portion of Miami-Dade County. Its general boundaries are on the north by SW 232 Street, bounded on the east by SW 122 Avenue and the Florida Turnpike, on the south by SW 296 Street and on the west by South Dixie Hwy.

4.0 EVALUATION PROCESS

4.1 Review of Proposals for Responsiveness

Each Proposal will be reviewed to determine if the Proposal is responsive to the submission requirements outlined in this Solicitation. A responsive Proposal is one which follows the requirements of this Solicitation, includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the Proposal being deemed non-responsive.

4.2 Evaluation Criteria

Proposals will be evaluated by a Review Team which will evaluate and rank Proposals on criteria listed below. The Review Team will be comprised of executives and professionals within the County, and may include professionals in the private sector, non-profit sector, or other governmental/quasi-governmental organizations, or retired executives with the appropriate experience and/or knowledge. The criteria are itemized with their respective weights for a maximum total of one hundred (100) points per Review Team member.

<u>Technical Criteria</u>	<u>Points</u>
1. Proposer's relevant experience, qualifications, and past performance	45
2. Relevant experience and qualifications of key personnel, including key personnel of Subcontractors, that will be assigned to this project, and experience and qualifications of Subcontractors	20
3. Proposer's approach to providing the Services requested in this Solicitation, including small and local business utilization	20
<u>Price Criteria</u>	<u>Points</u>
4. Proposer's proposed price	15

Any Proposer, whether a Joint Venture or otherwise, may proffer the experience or qualifications of its corporate parent, sister, or subsidiary (collectively "an Affiliated Company"). However, given the unique nature of individual corporate relationships, Proposers seeking to rely on the experience or qualifications of an affiliated company are advised that the Review Team shall have the discretion to determine what weight, if any, it wishes to give such proffered experience or qualification on a case-by-case basis. Review Team may base such decision on the particulars of the relationship between the Proposer and the Affiliated Company, as evidenced by the information and documentation provided in the Proposer Information Section, during Oral Presentations, or otherwise presented at the request of the Review Team.

Additionally, pursuant to County Resolution No. [R-321-23](#), the Review Team shall be provided with adverse findings or substantiated allegations within the past seven (7) years of the proposal submittal date (collectively "Reports") of the Miami-Dade Office of the Inspector General ("OIG") and/or the Miami-Dade County Commission on Ethics and Public Trust ("COE") regarding any Proposer and their proposed subcontractor(s) under deliberation by the Review Team to be considered in accordance with the evaluation of each applicable criteria identified in the Solicitation. In the event the OIG and/or COE issues Reports after the Review Team has scored and ranked the

Proposers, the County Mayor or County Mayor's designee may re-empanel the Review Team to consider if such Reports would change the rankings. If the Review Team determines that Reports would change the rankings of the Proposer(s) identified in the Reports, then the Review Team shall re-score the Proposer(s) identified in the Report solely based on the impact the information identified in the Report would have on the scoring of the Proposer(s) in accordance with the applicable criteria identified in the Solicitation, re-rank the Proposers, and submit a written justification for the revised rankings to the County Mayor or County Mayor's designee. Upon review of such re-ranking and the justification, the County Mayor or County Mayor's designee may accept or reject the revised rankings. The County Mayor shall, in any recommendation to the Board of County Commissioners, either attach all Reports issued by the OIG and/or the COE or provide a description of such Reports and a link to where such Reports may be viewed.

4.3 Oral Presentations

After evaluation of the Proposals on the criteria indicated above (Technical and Price), rating and ranking, the Review Team may choose to conduct an oral presentation with the Proposer(s) which the Review Team deems to warrant further consideration. In making this determination, the Review Team should consider whether a recommendation can be reached without oral presentations or whether there is a need for, or would be a benefit to, holding oral presentations. For instance, oral presentations may be needed to assist the Review Team to make its recommendation and/or to differentiate among the Proposer(s) remaining in consideration due to, among other factors, scores in clusters and/or a close competition. Oral presentations may also be beneficial if clarity on the Proposal(s) is needed or an explanation of the Proposal(s) would be helpful to the process and in scoring, especially on large and/or complex projects, as determined by the Review Team.

Pursuant to Resolution No. [R-208-25](#), if the contract fiscal impact is expected to exceed \$25,000,000 per year or \$25,000,000 in any year, then oral presentations are required to be held with the three highest-ranked Proposers or all proposers if three or less proposals are received. If the scoring differential between the two highest-ranked proposers exceeds ten percent (10%), then oral presentations shall be conducted at the option of the Competitive Selection Committee.

Unless otherwise advised by the County, oral presentations will only be used for the Proposer to present its Proposal and provide clarifications, if needed, and for the Review Team to ask questions. Proposals cannot be materially changed through oral presentations. Upon completion of the oral presentation(s), if any, the Review Team will re-evaluate, re-rate and re-rank the Proposals from the Proposer(s) invited to oral presentations based upon the written documents, and in consideration of any clarity gained from the oral presentation.

4.4 Selection Factor

This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBE's) as follows. A SBE is entitled to receive an additional ten percent (10%) of the total technical evaluation points on the technical portion of such Proposer's Proposal. Pursuant to Sections 2-8.1.1.1.1 and 2-8.1.1.1.2 of the Code, Proposer shall have all the necessary licenses, permits, registrations and certifications, to include SBE certification, to perform a commercially useful function in the provision of the type of goods and/or services required by this Solicitation. For certification information, contact Strategic Procurement Department at (305) 375-3111, visit <https://www.miamidade.gov/global/strategic-procurement/home.page>, and e-mail your inquiries directly to: Sbdcert@miamidade.gov.

The SBE must be certified by Proposal submission deadline, at contract award, and for the duration of the Contract to remain eligible for the preference. Firms that graduate from the SBE Program during the Contract term may remain on the Contract.

Any entity may enter into a Joint Venture with a Small Business Enterprise firm for the purposes of creating a Proposer to submit a Proposal in response to this Solicitation and receiving an SBE Selection Factor. Joint ventures will be considered as one entity by the County during the evaluation of the Proposal in response to this Solicitation. Joint ventures must be pre-approved by Strategic Procurement Department and meet the criteria as established in Implementing Order 3-41 and Sections 2-8.1.1.1.1 and 2-8.1.1.1.2 of the Code for the purposes of receiving an SBE Selection Factor pursuant to this Section.

Whenever there are two best ranked Proposals that are substantially equal and only one of the two so ranked Proposals is submitted by a Proposer entitled to a selection factor, the selection factor shall be the deciding factor for award.

4.5 Local Certified Veteran Business Enterprise Preference

This Solicitation includes a preference for Miami-Dade County Local Certified Veteran Business Enterprises in accordance with Section 2-8.5.1 of the Code. "Local Certified Veteran Business Enterprise" or "VBE" is a firm that is (a) a local business pursuant to Section 2-8.5 of the Code and (b) prior to Proposal or bid submittal is certified by the State of Florida Department of Management Services as a veteran business enterprise pursuant to Section 295.187 of the Florida Statutes. A VBE that submits a Proposal in response to this Solicitation is entitled to receive an additional five percent of the evaluation points scored on the technical portion of such vendor's Proposal. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran's preference provided in this section and shall be limited to the applicable SBE preference. At the time of Proposal submission, the firm must affirm in writing its compliance with the certification requirements of Section 295.187 of the Florida Statutes and submit this affirmation and a copy of the actual certification along with the Submittal Form.

4.6 Price Evaluation

The price Proposal will be evaluated subjectively in combination with the technical Proposal, including an evaluation of how well it matches Proposer's understanding of the Agency's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The Agency reserves the right to negotiate the final terms, conditions and pricing of the Contract as may be in the best interest of the Agency.

4.7 Local Preference

The evaluation of competitive Solicitations is subject to Section 2-8.5 of the Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses. If, following the completion of final rankings by the Review Team a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the highest ranked local Proposer shall have the opportunity to proceed to negotiations and the Review Team will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations

The Review Team will evaluate, score and rank Proposals, and submit the results of the evaluation to the County Mayor or designee with its recommendation. The County Mayor or designee will determine with which Proposer(s) the Agency shall negotiate, if any, through the approval of the Review Team Coordinator Report which will be shared through electronic means with all Proposers. The County Mayor or designee, at their sole discretion, may direct negotiations with the highest ranked Proposer, by taking into consideration Local Preference to determine whether to direct negotiations with the highest ranked local Proposer recommended by the Review Team pursuant to the Local Preference Section above, if any, **and/or** may request a better offer. In any event the Agency engages in negotiations with a Proposer and/or requests a better offer, the discussions may include price and conditions attendant to price.

Notwithstanding the foregoing, if the Agency and said Proposer cannot reach agreement on a contract, the Agency reserves the right to terminate negotiations and may, at the County Mayor's or designee's discretion, begin negotiations with the next highest ranked Proposer. This process may continue until a contract acceptable to the Agency has been executed or all Proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations may be required to provide to the Agency:

- a) Its most recent certified business financial statements as of a date not earlier than the end of the Proposer's preceding official tax accounting period, together with a statement in writing, signed by a duly authorized representative, stating that the present financial condition is materially the same as that shown on the balance sheet and income statement submitted, or with an explanation for a material change in the financial condition. A copy of the most recent business income tax return will be accepted if certified financial statements are unavailable.
- b) Information concerning any prior or pending litigation, either civil or criminal, involving a governmental agency or which may affect the performance of the services to be rendered herein, in which the Proposer, any of its employees or subcontractors is or has been involved within the last three years.
- c) Disclosure of any lawsuits which include allegations of discrimination in the last ten years prior to date of Solicitation, the disposition of such lawsuits, or statement that there are NO such lawsuits, in accord with Resolution No. [R-828-19](#).

4.9 **Contract Award**

Any proposed contract, resulting from this Solicitation, will be submitted to the County Mayor or designee. All Proposers will be notified in writing of the decision of the County Mayor or designee with respect to contract award. The Contract award, if any, shall be made to the Proposer whose Proposal shall be deemed by the Agency to be in the best interest of the Agency. Notwithstanding the rights of protest listed below, the Agency's decision of whether to make the award and to which Proposer shall be final.

4.10 **Written Objection to Selection Committee Ranking/Scoring and Rights of Protest**

A recommendation for contract award may be protested by a Proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the Code and as established in Implementing Order No. 3-21. Bid protest procedures set forth in Implementing Order No. 3-21 shall not apply to any procurements conducted by the Strategic Procurement Department exclusively on behalf of the constitutional offices of Clerk of the Court and Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector pursuant to an interlocal agreement. For such procurements, the bid protest procedures, if any, shall be established by the respective constitutional office. Any question, issue, objection or disagreement concerning the rankings, scoring or recommendations of the Review Team shall be deemed waived by the Protestor and shall be rejected as a basis of a bid protest, unless it is brought by the Proposer to the attention of the Procurement Contracting Officer within five (5) workdays of receipt of notification of the Review Team Coordinator Report referenced above. The written objection shall state with particularity the basis of the objection and with sufficient information to allow the County's procurement professionals to consider, evaluate and address the issues raised in the objection promptly.

Until the Agency receives such assurances, the Agency may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the Agency the requested assurances within the prescribed timeframe, the Agency may:

The default notice shall specify the date the Contractor shall discontinue the Services upon the Termination Date.

- a) lost revenues to the extent the Contractor would otherwise be liable under applicable law as adjudicated by a court of competent jurisdiction.

- e) The Contractor shall be solely responsible for determining and informing the County whether a prospective supplier or Subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Deliverable hereunder. The Contractor shall enter into agreements with all suppliers and Subcontractors at the Contractor's own risk. The County may reject any Deliverable that it believes to be the subject of any such litigation or injunction, or if, in the County's judgment, use thereof would delay the Work or be unlawful.

- c) It is understood and agreed that in the event of a breach of this Article damages may not be an adequate remedy and the Agency shall be entitled to injunctive relief to restrain any such breach or threatened breach. Unless otherwise requested by the Agency, upon the completion of the Services performed hereunder, the Contractor shall immediately turn over to the Agency all such Confidential Information existing in tangible form, and no copies thereof shall be retained by the Contractor or its employees, agents, subcontractors, or suppliers without the prior written consent of the Agency. By entering into this Contract, the Contractor and its Subcontractors are jointly and severally obligated to comply with the provisions of Section 448.095, Florida Statutes, as amended, titled "Employment Eligibility." The Contractor affirms that (a) it has registered and uses the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees of the Contractor; (b) it has required all Subcontractors to this Contract to register and use the E-Verify system to verify the work authorization status of all new employees of the Subcontractor; (c) it has an affidavit from all Subcontractors to this Contract attesting that the Subcontractor does not employ, contract with, or subcontract with, unauthorized aliens; and (d) it shall maintain copies of any such affidavits for duration of the Contract. Registration information is available at: <http://www.uscis.gov/e-verify>

If the County has a good faith belief that Contractor has knowingly violated Section 448.09(1), Florida Statutes, then the County shall terminate this contract in accordance with Section 448.095(5)(c), Florida Statutes. In the event of such termination the Contractor agrees and acknowledges that it may not be awarded a public contract for at least one (1) year from the date of such termination and that Contractor shall be liable for any additional costs incurred by the County because of such termination.

In addition, if the County has a good faith belief that a Subcontractor has knowingly violated any provisions of Sections 448.09(1) or 448.095(5)(c), Florida Statutes, but Contractor has otherwise complied with its requirements under those statutes, then Contractor agrees that it shall terminate its contract with the Subcontractor upon receipt of notice from the County of such violation by Subcontractor in accordance with Section 448.095(5)(c), Florida Statutes.

This Contract shall be void if the Contractor submits a false Affidavit pursuant to Section 787.06, Florida Statutes, or the Contractor violates Section 787.06, Florida Statutes, during the term of this Contract, even if the Contractor was not in violation at the time it submitted its Affidavit
